Zikaron Basalon with Action Reconciliation Service For Peace in Beit Ben-Yehuda.

Wednesday, April 11th, 7.30 PM
(The event will be in English)

“Remember” (“זכור”) is a very important commandment in the Jewish tradition, the commemoration of the Shoah and the destruction of Jewish life in Europe under National Socialism is a part of the remembrance culture of the Jewish people and the Israeli society.

We invite you to hear a lecture by Mr. Guy Band about remembrance in Israel and to engage in a special dialog between Germans and Israelis about different remembrance cultures.
